

Math Expressions Online Student Materials

All the student materials for the Math Expressions Curriculum are NOW available to students and families online.

What is available?

- Homework & Remembering Worksheets.
- Student textbook activities.
- Math Glossary

How do I get to it?

1. Go to www.thinkcentral.com
2. Select the **Math** link (on the left)
3. From the list of materials select **Math Expressions**
4. Enter your select from the drop down menus
 - a. State (Washington),
 - b. District (Mercer Island School District) and
 - c. School (choose your school)

Check the **remember my organization** box so that your next login is easier.

5. Enter your **login** and **password** (see below)

Your password is the same as your login, which is your schools 2-letter code (wm, ip or lr) followed by the grade level of your child. Examples:

West Mercer third grade: Login: wmthird

Password: wmthird

Island Park fifth grade: Login: ipfifth

Password: ipfifth

Lakeridge kindergarten: Login: lrkindergarten

Password: lrkindergarten

6. Click then on the **library** link on the picture. Next select the **Student Activity Book**.
7. Once in, select the **volume** (1 for the first half of the year and 2 for the second half of the year).

Once in Think Central explore the materials (see next page for hints) to access and print student work pages.
