

**CLASS SIZE STUDY GROUP**  
**September 11, 2007 (Correction)**

**TAKE AWAY POINTS**

- We are limited by the lack of research in terms of numbers and quality of the research on class size regarding elementary, middle school and high school.
- We have examined the Mercer Island High School AP/IB/Honors Benchmark Study [2006], Mercer Island School District Parent Exit survey results [05-06], National Class Size Average [June 2006 Education Week], local private school class size comparisons, and Class Size Study for Island Park, Lakeridge, West Mercer, Islander Middle and Mercer Island High School [M. Cero 2007] in our review of information regarding secondary class size.
- We worked on the September 11, 2007 Status Report.
