Dear Parents/Guardians of Incoming 7<sup>th</sup> and 8<sup>th</sup> grade students,

Amazingly enough, the scheduling process is starting for the 2012/13 school year. The parent Registration Night for incoming 7<sup>th</sup> grade students (Class of 2018) and incoming 8<sup>th</sup> grade students (Class of 2017) will take place on Tuesday, March 6<sup>th</sup> at 7pm in the Islander Middle School Multi-Purpose Room.

The agenda for this night is as follows:

### Agenda for 7<sup>th</sup>/8<sup>th</sup> Grade Registration Night (Class of 2017/2018)

- |             |                           |                           |
|-------------|---------------------------|---------------------------|
| 7:00 - 7:05 | Welcome and Introductions | Administration/Counselors |
| 7:05 - 7:35 | Registration Presentation | Administration/Counselors |
| 7:35 - 8:00 | Parent Questions          |                           |

The information needed for course registration is predominantly included in this attached registration packet. It contains the registration form and detailed descriptions of each core and elective course offered to 7<sup>th</sup> and 8<sup>th</sup> grade students at Islander. The Registration Night on March 6<sup>th</sup> will supplement the information contained in this packet. If families feel comfortable understanding the information in the packet, there is no need to attend the Registration Night. If families have additional questions or need more detailed information, they should attend the Registration Night.

REMINDER: Islander Middle School will be a very busy building on Tuesday, March 6<sup>th</sup>. If you are unable to find parking, we suggest you park at the QFC Shopping Center or Lakeridge Elementary and allow enough time to walk to Islander. Carpools are strongly encouraged.

We look forward to seeing many of you on March 6<sup>th</sup> and working together to provide an exciting educational experience for your students during the 2012/13 school year.

Sincerely,

Aaron Miller and Mary Jo Budzius
