

RAINY DAY RECESS RULES AND PROCEDURES

Description: Rainy Day Recess will be offered on days that the Big Toy and Grass Field Play Areas are closed due to wet weather. Students can quietly read or do artwork in the hallway outside of their classrooms. Supervision will be provided by the Big Toy Recess Teacher. Whether or not students are given the option to participate in this activity is at the discretion of individual Classroom Teachers.

Procedure:

- When Rainy Day Recess is open, a sign will be posted in the hallway by the mail boxes at the front office. Ideally, the sign will be posted at the beginning of the day but if the weather changes during the day the sign will be posted later.
- A section of the hallway outside of the classrooms having a recess will be open for students to read or do artwork.
- The Classroom Teacher can announce this recess option right before the bell rings for that recess.
- Students should bring the activity (a book or art supplies) with them to the Rainy Day Recess.
- Students need to choose either the rainy day activity or the outside recess. They will not be allowed to move from one activity to another.

Rules:

- Zero and One are appropriate voice levels for the Rainy Day Recess.
- Students will be told a few minutes before the end of recess to clean up their activity. Students should clean up when they are told to do so.
- Students who are disruptive or do not participate in an appropriate way will be sent to the office and/or will not be allowed to attend in the future.
